"Snells Beach School will prepare children for successful futures and life-long learning through dynamic teaching and quality learning opportunities"

Travelwise Week 2011 A Huge Success!!

TravelWise Week was held last week around the country. Here at Snells Beach School our students, parents and caregivers are encouraged to get out of their cars and enjoy travelling to and from school sustainably!!!

Schools across the country competed again with each other to try to get the highest percentage of students travelling to and from school in a sustainable way each day and, although the weather let us down, here at SBS spirits were high and there was a marked improvement in the way we came to and from school!!!

Throughout the week we celebrated in style *at school* by holding a number of special events including:

- **Wheels Day**, run by Nikau 1 students, and
- **Fancy Feet Parade** on Friday morning. This was a fabulously, fun way to finish our week – giving students (and teachers ☺) an opportunity to show off their dance moves!! Once again our children did us proud by putting time and effort into preparing for this parade – and a number of fantastic feet were on display!
- On **Walking Wednesday** we had our largest number yet

come to school a Travelwise Way with over **130** students coming to school by foot, bike, bus or scooter!!

- To encourage coming to school a 'TravelWise Way', our children were given a House Card. On Friday morning our House Captains were busy counting up these 'feet' cards for our prize draw. Congratulations to the following children who won themselves some great prizes:

Caleb Hood, Carl Knutson, Morgen Meredith Danielle Johanson and Jacob Hunt-Reynolds.

- A special part of our week was our very first **WALKATHON!** This was held to help fundraise money towards a new playground for our school and, although the wind blew us off our feet, the walkathon was a great hit and it was so good to see so many families walking together to support our school. There were some 'die-hard' walkers who impressed us all by walking, right to the bitter end. Awesome stuff!! Special acknowledgements, therefore, go to the following *marathon* walkers:

Kikii, Tulimanu and Pualogamua Kikii, Pearl and Jack Kleyn, Alyssa and Lucy Gore, Thomas and Jordan Vegar, Ryan Bairstow, Daniel Cameron, Ranelle Le Bas, Xanthe Scandrett, Jessica MacGillivray, Trace Savage, Isabelle Ferrera, Blake Lambert and Caleb Beardsley.

Living Values Term 1 2011

LOVE has been the value we have focused on for this term.

Reflection Points for this value are:

- Love is the value that makes our relationships better
- Love means I want what is good for others
- Love is being kind, caring & understanding
- Love is being a trustworthy friend
- Love makes me feel safe
- Everyone is lovable and capable
- When I am full of love, anger runs away

Puriri 1 students have written some great poems about friendship.

Friendship

Friendship is including others in games

Friendship is forgiving each other

Friendship is cheering each other on

Friendship is caring and loving each other

Friendship is working together as a team

Friendship is a relationship that makes us strong.

No fights, no lying, just happiness.

If we didn't have happiness, we wouldn't have friends and if we didn't have friends we wouldn't have love!

By Safia Price, Puriri 1

Friends

Friends care

Friends share

Friends are always there.

Time together

Makes it better

Never time to fight.

Cont... from front page

Some of these children walked a total of 30+ laps all by themselves!! (That works out to over 12 kms!)

Many thanks also go to the PTA for their support with this event and for setting up and providing a well-balanced marathon meal of sausage sizzles and drinks to keep our strength up. ☺

SKIDS, our afterschool care providers, were also there to

support and their mascot, Skiddie', arrived to walk and motivate our children.

SKIDS also provided free face painting, spot prizes and have donated \$100 towards the event!!! Many thanks to SKIDS for this kind donation!

Thanks also to Mr Morley and the Fire Brigade for cleaning up our courts for this event and turning up to help 'cool down' the troops. (We won't mention the trail of tyre marks left over from a particular misfortune! ☺)

Special thanks also go to the following people who helped with the events during the week:

Xanthe Scandrett, Lapi Feleti, Billy O'Reilly, Ashlee Gwyn, Lucy Gore and extra-special thanks go to **Bridget Farmiloe!** Well done, team!!

Lastly, well done to everyone who got involved, and thank you for making TravelWise Week 2011 a huge success!

School Events

Tabloid Sport

The picture of peace and tranquillity that is the quiet riverside village of Warkworth was shattered as 300 Year 2 and 3 children from surrounding schools descended upon Shoemith Domain. 70 future leaders of the nation from Snells Beach School were there eager to participate in the 2nd Annual Junior Tabloid Sports Day. All children were divided into 20 teams with children from other schools. They then rotated around various activities competing, having fun and developing their gross and fine motor skills. The day was a huge success and again we were impressed with the way our students represented themselves and the school. We would all like to thank the parents who helped with both transport and supervision.

Mr Morley

Netball

A Reminder that netball practice is on Thursdays after school on the courts. Anyone normally travelling home on the bus that will be at practice, please let Miss Henry know in the office before 2.45pm.

Swimming

We congratulate Blake Lambert and Callum Harnish for the efforts at the inter-school swimming that got them to the Hibiscus Coast Swimming regional swimming event coming up on Thursday 7 April. **We wish you luck and are proud to have you represent Snells Beach School.**
