**This session is designed to help you understand what is expected of your five year old at school, how you can help at home, and what our programmes focus on in the first few terms.**

**We will outline the approach used in our Fitzroy Reading and Numeracy Programmes, among other things and you will have plenty of opportunity to ask questions about anything at all to do with starting school.**

**We would love you to join us, so please put this date in your diary and join us on the 22<sup>nd</sup> April.**
