

JUNIOR FLORAL ARTS INFORMATION SHEET

A Saucer

You will need:

- Fine Sand
- Average size tea cup saucer
- Tooth picks, tweezers or small scissors
- Fresh Flowers and Foliage
- A design.

- Try and work out your design before putting the arrangement together. Draw your design on paper first
- Soak your chosen foliage in water an hour before using
- Soak some fine sand in a bucket of water
- Choose your flowers – smaller flowers work better on the saucer
- Place the sand on a tea cup saucer, slightly dome the sand

- Cut the smaller leaves off the stems ready for your arrangement
- You can use small leaves to cover the edge of the saucer (roughly 5cms x 2-5cms)
- Use Tweezers, tooth picks etc to arrange you flowers on the saucer
