Pakiri School
Forward Together • Ho Tahī i Te Hīoi Whakamua

Have you heard about our Mahurangi Kōhūi Ako?

This Community of Learning was founded in 2016 by a group of local schools who are passionate about working together to identify, share, contribute to, and celebrate learning strategies that promote success for all. Each school has a logo that represents their special character.

What logo could now represent us as a community?

Our vision: success for all. Our values: integrity, open-mindedness, and equity.

The winning logo could be a conceptual design, a representation of our valued, cultural histories or our unique, environmental surroundings. Ultimately, all members of our community will feel they can connect to its message.

The competition is open to all. Entries can be sent in digital or hard-copy using a medium of your choice. Please include a brief explanation of your design. Participants should be aware that the winning logo may be altered by a graphic designer for the purposes of publishing. Competition closes: 11th May. Winner Announced: 18th May. All queries and entries can be delivered to Jennifer Gray via Warkworth Primary School, jennifergray@warkworth.school.nz
