Reading Strategies for Families

Reading at home is incredibly important. Try these strategies with your family to have fun reading together at home. 1. Create a daily reading routine. 2. Try some of these strategies to keep things interesting: - Choral Read: Read the same text at the same time with a family member. - Echo Read: Your family member reads a sentence or paragraph and then you read the same one copying their expression and pace. - My Turn Your Turn Reading: Take turns reading sentences

<i>Suggested Times</i>		Monday	Tuesday	Wednesday	Thursday	Friday
9-10	Activity time	ANZAC Day Observed	Teacher Only Day	Rainbow fruit skewers Take wooden skewers and thread fruit on. Arrange in a repeating pattern, e.g. apple, banana, grape, apple banana, grape and enjoy.	Playing Kim's game is a good way of developing your child's memory skills and concentration. Put 10 things from around the house on a tray - it could be things like a pencil, an orange, some cotton wool, a toy etc.. Ask your child to look carefully at them for about thirty seconds. Then take the tray away and ask them to call out what they remember. Another way of playing the game is to cover the things, take one thing away and ask the child to spot what is missing. You can put more things on the tray as they get better.	Cosmic Yoga Going on a bear hunt

0-11	Academic time			<p>Week 2 Remote Learning Resources and Strategies Grades 1-2 Social-Emotional Learning - Empathy & Kindness Watch the Story: Stick and Stone by Beth Ferry Read the Book: Empathy: I Know How You Feel! by Liz George <u>Video</u>: Choose To Be Kind You can choose to treat other people well. Here's how! Possible Activities: <u>Act-It-Out Activity</u>: What Would You Do? <u>Activity</u>: Get mum or dad to read the scenarios off the computer and talk about how you would deal with each one. What would you do? Tell your family all about filling someone's bucket <u>Watch this video</u>: Have You Filled a Bucket Today? Have you filled a bucket lately Also How full is your bucket for kids How Full is Your Bucket? For Kids by Tom Rath and Mary Reckmeyer</p> <p><u>Make a card for someone</u> and put it in their letter box</p>	<p>Week 2 Remote Learning Resources and Strategies Grades 1-2 Math and Science - Measurement Watch the Story: Inch by Inch by Leo Lionni Read the Book: How Long Is It? by Donna Loughran <u>Video</u>: Science Tools Learn about cool tools that help scientists investigate the world.
