

JUNIOR PLANNING

3 day plan for April 15th-17th

It would be a really great idea to go and get an exercise book/ scrapbook so that the children can have something to keep their work in over the next month

Suggested Times		Wednesday	Thursday	Friday
9-10	Activity time	<p>Build a Reading Fort Build a reading fort so you have a special place to read. You can use items found around the house: blankets, chairs, sheets, boxes etc. Read 2 stories in your fort</p>	<p>Make a paper boat. Take it down to the beach or the bath and see if it floats</p>	<p>Write an email to your teacher and tell her what you have been doing at home</p>
10-11	Academic time	<p>https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html</p> <p>Day 1: Animals spiders Click on diary of a spider-watch Click on and read A spiderling grows up Watch the video- Tricky spiders</p> <p>See activities below</p>	<p>https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html</p> <p>Day 2: Earth Science- Weather Click and watch Come on rain! Click and watch Rainy Weather days Watch video- Its' raining, it's pouring</p> <p>See activities below</p>	<p>https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html</p> <p>Day 3 Physical Science- Sound and Music Click on and watch Zin, Zin, Zin a violin Click on All about sound and read Watch the video- What's that sound Activity- Do the activity Listening ears.</p> <p>See activities below</p>

11-12	Creative time	Thank you card to our essential workers! These people are: check-out operators, nurses, doctors, police, firefighters, ambulance drivers... Please create a card, picture or even a small movie to say 'Thank you!' Take a photo and email it to your teacher	Leaf rubbings – place a thin piece of paper over a leaf and lightly rub a crayon over the paper to make a pattern	Ordering – place shells or stones in a row from smallest to largest, largest to smallest, repeating patterns sorting and matching – sort stones, shells and flowers into groups of the same colour, size or shape
12-12.30	Lunch			
12.30-1	Responsibility time	Tidy your bedroom.	Parent's choice of chore.	Help sort and fold the washing. Climb Mt Washmore.
1-1.30	Quiet time	Read a book to your pet or teddy	Cosmic Yoga Mike the cosmic space monkey	Create something with lego or blocks, take a photo and send to your teacher
1.30 - 2-.30	Academic time	Activity- design and draw your own spider. You can make a spider using things you can find around home Extra research- Google search- 'facts about spiders for kids' videos	Activity-You might have heard the saying, "It's raining cats and dogs." If you could make it rain any two things you wanted, what would you choose? Write about your special rainstorm. What would be falling from the clouds and why? Draw a picture of it. Write a poem about today's weather. If it's rainy or sunny see if you can write 5 lines about the weather. Try to use some rhyming words at the end of each line.	Use things from the recycle bin at home to make some musical instruments. Like rice in a bottle to make a shaker. Ice cream container drums... Google- use junk to make instruments for kids Make up a song to play your instruments to. You can video yourself singing and playing your instruments

2.30-3:00	Social time	<p>Play shops - make a little shop with tins and packets. Or make things to sell</p> <p>Make your own money to play with. Count how much pretend money you have.</p>	<p>Make some play dough and create something with it. Take a photo and email to teacher</p> <p>https://funlearningforkids.com/easy-play-dough-recipe-without-cream-tartar/</p>	<p>Create a Family Dance</p> <p>Get silly and create a family dance. Find a song you like and have each family member add a dance move. Put them in order and dance away. Who memorizes the family dance first?</p>
