

JUNIOR PLANNING

5 day plan for April 20-24th

These are all just suggestions and you can swap days, times and activities so that it suits you and your child.

Please contact your child's teacher with any questions/problems/successes or help, our emails are all listed at the end of this document

	<i>Suggested Times</i>	Monday	Tuesday	Wednesday	Thursday	Friday
9-10	Activity time	Snack Use a piece of french toast but you can use regular toast as well to make a cute bear face snack. Slice bananas for the ears and nose, adding raisins or chocolate chips for the eyes and tip of the nose. Send a photo to your teacher.	Cut up letters from magazines and spell some words. https://www.pukekohenuorth.school.nz/files/7c028dec604fffb3/file_attachments/1/Essential_Word_Lists.pdf	Make up an obstacle course inside or outside. Get your mum and dad to time you to see who is the fastest in your family	Walk to the donkey park. Feed the donkeys and walk up all of the stairs. Count how many stairs there are	CONSTRUCTION Make a Rocket from cardboard/boxes/rolls. Colour and decorate. Ready to blast off to the stars! Send a photo to your teacher. Or video take off! Please no actual fireworks...dads:)
10-11	Academic time	https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html Social Studies- Communities Click on book Giggle, giggle quack	https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html Life Science – Bones Click on book Dem Bones Click on You have Healthy Bones! And read the story	https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html Earth Science- Ponds Click on In the small, small pond Click on Life in the pond and read the story	https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html Car and Bus safety Click on Don't Let the pigeon drive the bus! Click on and read Car Safety	https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html Earth science- Stars Click on Stars, stars, stars! Read Looking through a telescope

		<p>Click on Living on farms and read the book Watch the video- Home in three communities</p> <p>Activity- Draw your own community like a farm. What animals would be in it? Label your picture Use lego to make a farmyard. Take a photo of it and email it to your teacher</p>	<p>Watch the video Bones, Bones, Bones! Activity- look at the bones and decide what animal they are from. Unscramble the words. Draw your own skeleton</p>	<p>Watch the video – A pond is a Habitat Activity- Mime different pond animals and get a family member to guess what animal you are. Draw a pond and label the parts and animals in it. Look at the pictures to give you ideas about what you might do at home https://www.google.com/search?rlz=1C1GCEUenNZ828NZ834&q=activities+about+ponds+for+kids&tbm=isch&source=univ&sa=X&ved=2ahUKEwiD1NHJudPoAhVMzzgGHcTPBIMQ7AI6BAgJEC4&biw=1350&bih=615</p>	<p>Video- Get to school the safe way Activity-Design a new kind of vehicle to get to school. Draw it, describe it, how does it work? How many people could go in it at once. Tell us how you would stay safe in the vehicle. Watch the song https://at.govt.nz/driving-parking/road-safety/child-safety-in-cars/</p>	<p>Video What's in the night sky? Activity-What can you see out of your window in the day and in the night? Fold a piece of paper in half. Draw a picture of what you can see at day, and then at night. If you have an ipad you can download a star gazing APP. Since it is dark much earlier take the device outside at night time and see what you can see. Southern cross, the pot... Google search- 'facts about stars for kids' videos ... find out some interesting facts. Make a star with paint, collage, papier mache... Seeing stars-science crash course https://www.youtube.com/watch?v=M41yLjQ2ot0</p>
--	--	---	--	--	---	--

11.00-12.00	Creative time	Build a Masterpiece Find items around your home. Build a structure that is at least 1 mtr high. Has 1 moving part, 4 square objects, 6 different circles, 1 triangle, 3 items you select yourself and a sign with a name on it. Create a design, build and test it. Present your masterpiece to your family.	Make some puppets – old socks, cardboard tubes, cut-outs on sticks –use to act out the story you have read. Or dress up and make it into a play	Build a bird feeder out of a water bottle and put it in the garden https://www.google.com/search?q=build+a+bird+feeder+with+a+bottle&oq=build+a+bird+feeder+with+a+bottle&aqs=chrome..69j57j0l7.8929j0j8&sourceid=chrome&ie=UTF-8#kpvalbx=_pFWOXrjSDLnXz7sP35my4As28	Drawing with Illustrator Mo Willems! Episode 01 https://www.youtube.com/watch?v=RmzjCPQv3y8&feature=emb_title In the first episode, he shows us the differences in his original rough sketches for Don't Let the Pigeon Drive the Bus and the final product.	Plan a Family Game Event Plan a family game night or event. Play your favorite games together. It could be board games, a game of tag, balloon volleyball etc. Take time to play together this week.
12.00-12.30	Lunch					
12.30-1.00	Responsibility time	Vacuum Mums Car	Sort the washing: socks into pairs and learn to fold them together	Practise tying your shoelaces	Pick some flowers from the garden or on your walk and make a flower arrangement	Massage mum or dads neck and shoulder. At Least 10mins each as hard as you can.
1-1.30	Quiet time	Have a Lego building competition...tower of doom.	Cosmic yoga Spider yoga power	Read a story to a family member	Do some baking for a midnight snack	Have a PJ party and a disco dance party in your bedroom
1.30 - 2.30	Academic time	Family Math Hammer Game This game is similar to Rock, Paper, Scissors except each player decides how	Play some maths games on the computer www.mathsgames.com	Buttons and bears Mother Bear is making her 5 bear cubs new coats. The coats have 3 buttons each.How many buttons does	Pete the Cat and his four groovy buttons. by Eric Litwin Pete the cat is wearing his favourite shirt with 4 groovy	Counting around your house First practice counting to 100 https://www.youtube.com/watch?v=4RhB

		<p>many fingers to hold out on the count of four. Then they add the fingers together to get the sum.</p> <p>https://www.youtube.com/watch?v=uRoJ5E-Xx9s&t=117s</p>	<p>BBC KS2 Bitesize http://www.bbc.co.uk/schools/ks2bitesize/</p> <p>Cool Math Games http://www.coolmath-games.com/</p> <p>Math Playground http://MathPlayground.com</p>	<p>Mother Bear need? Draw a picture or use equipment to work out the answer. Email your answer to your teacher.</p>	<p>buttons and keeps singing his favourite song even when his buttons pop off one by one. Each loss is recorded as a subtraction equation until Pete is left with no buttons. Watch the video and record the story in words and symbols. E.g. $5-1=4$</p>	<p>hZFJ4Ww Then count how many plants you have, spoons in the drawer, teddy bears or toys, books etc</p>
2.30-3.00	Social time	Play dress ups with your family	Play a boardgame with people in your bubble	Create a picnic to have with your family inside or outside	Ring someone in your family (grandparents, cousin, aunty/uncle) to have a chat	Nana nap! Play sleeping lions on the prairie.

Take photos or movies of anything you want to share and email to your teacher
