		<p>Drawing Activity: Start With a Shape!</p> <p>Activity - Make a rainbow How to Make a Rainbow</p> <p>Sing the rainbow song Rainbow Song I Can Sing A Rainbow & Lyrics on repeat</p> <p>Make a rainbow shape picture</p> <p>Google - 'how does a rainbow appear in the sky for kids' look at videos</p>	<p>Pretend it is a snowy day outside. Write a story about all of the things that you would do outside throughout the day.</p> <p>Activity: How to make a Paper Snowflake https://www.youtube.com/watch?v=eLiCV5z-9fA</p> <p>Make a snowman picture using cotton balls. Glue onto paper Cotton Ball Snowman Craft</p>	<p>As I Grow Up. Draw or cut a picture from a magazine to show the lifecycle of a person. Write a few sentences explaining how a human changes from a baby to an adult.</p> <p>Activity - Draw the life cycle of a frog on a piece of paper.</p> <p>Google search - 'lifecycle of a butterfly for kids' have a look at what you can find</p> <p>Find out what other creatures life cycles are like.</p>	<p>Writing Activity: Follow That Trash! After watching the video. Write about what happens to our rubbish. Time words are good for this. First, then, next, last...</p> <p>Activity: Go to your recycle bin and see if you can recycle and reuse some things to make something new. Take a photo of what you make and email it to your teacher.</p>	<p>Possible Activities</p> <p>Drawing Activity: Invent a Sea Creature, what does it look like, how does it move and what does it eat?</p> <p>Spelling Activity: Go for a walk on the beach, park or in your backyard. Spell words in the sand with seashells, stones and sticks.</p>
11.00-12.00	Creative time	<p>Make a pizza for lunch and measure out all of the ingredients.</p>	<p>Make a marshmallow snowman Marshmallowsnowmen Easy Christmas or winter treat ideas.</p>	<p>Adventure binoculars Made with simple things from around the house, get creative and active with a tool to help find those fuzzy friends hiding in your neighbourhood.</p> <p>What you need: Scissors String Something to poke holes (ie a pen or safety needle)</p>	<p>Turn your recyclable trash to treasure Go to your recycle bin. Clean the containers. See what you can make https://www.pinterest.nz/KidMadeModern/recycled-kids-craft-ideas-diy-projects/</p>	<p>Make a Mother's Day card and write a special message inside, give it to mum this Sunday</p>

				Rubber band or cellotape Colouring tools Toilet paper rolls Watch the video below to see how to put your binoculars together and see how they work! https://www.youtube.com/watch?time_continue=9&v=Xeol8vllsJk&feature=emb_logo		
12.00-12.30	Lunch					
12.30-1.00	Responsibility time	Wash the car	Sweep the path or driveway outside the front of your house	Sorting Sort the washing, odd socks, toys, cans while tidying up	Tidy up your bedroom and pick up everything off the floor and put it away neatly in the right place	Match the Tupperware boxes with their lids.
1-1.30	Quiet time	Find a comfortable, quiet place cosy up and read for 10-15 minutes	Play quietly with Lego or some toys	Draw some pictures of bugs you find in your garden or from pictures	Read a story aloud to yourself – keep it fun If you have a device you can video yourself reading	Do some balloon breathing - lie on the floor and breathe deeply into your tummy. Watch it go up and down, filling with air like a balloon.
1.30 - 2.30	Academic time	Write out all numbers up to 100 forwards and backwards	<u>Writing</u> Describe Something Special!	<u>Maths</u> - Shape Hunt Watch shapes song	Count forwards and backwards from different numbers	<u>Maths</u> – Estimates Think how long it will take to do

		<p>Count to 100 forwards https://www.youtube.com/watch?v=Ss-azuApvA0 Count from 100 backwards https://www.youtube.com/watch?v=Ss-azuApvA0&list=RDSs-azuApvA0&start_radio=1</p>	<p>Pick one item that is special to you. Think of 3 things that best describes your item. For example: I love my stuffed kitty toy called Tabby. 1. She is super soft with long whiskers. 2. She is small and cute. 3. She is grey and white with a fluffy tail.</p>	<p>https://www.youtube.com/watch?v=yVgP3AZCfdU Look for geometric shapes in your home like, circles, squares and rectangles. See what shapes you notice. Sort the shapes. Take a photo of some of the shapes you found. Then make a picture using shapes you found</p>	<p>Watch counting clip https://www.youtube.com/watch?v=YtNs-kltYAOE Make Pipe cleaner numbers and practice writing different numbers</p>	<p>something like: run around the house 5 times Or do 20 star jumps Then get someone to time you, compare your estimate to the recorded time Fill some jars with: Lego, rocks, buttons etc. Make estimations, count the items to check.</p>
2.30-3.00	Social time	<p>Play Charades - on cut-up pieces of paper write down phrases or words to act out. Take turns pulling a single paper out of a container and have fun acting out the description.</p>	<p>Make a fort out of blankets and pillows.</p>	<p>Play "Simon Says."</p>	<p>Take turns drawing each other's portraits with people in your bubble.</p>	<p>Pop some popcorn, and snuggle up to watch some movies.</p>

Take photos or movies of anything you want to share and email to your teacher
