About Snells Beach School

It is a privilege to warmly welcome you to Snells Beach School in Auckland, New Zealand. We are a semi rural primary school situated approximately 45min north of central Auckland City. Our school offers you a unique opportunity to experience learning in a peaceful, semi rural coastal setting surrounded by farmland, nestled between the beach and river. All within a quick commute to Auckland's North Shore. We offer opportunities for International Students aged 5 to 11 to study on a short-term basis from four weeks (a term is 10 or 11 weeks), up to their full six years of primary education.

A Message from the Principal

Welcome to Snells Beach School. We are committed to providing you with an enriching learning experience in a safe, inclusive, and supportive environment. Our dedicated teaching staff will support both your learning and wellbeing, helping you settle into school, make friends, and thrive in the classroom.

We offer high-quality teaching across all learning areas, alongside innovative programmes that inspire curiosity, creativity, and confidence.

Beyond the classroom, our beautiful coastal location offers opportunities to experience New Zealand's stunning beaches, parks, and natural environment, while enjoying the welcoming community of the Mahurangi region.

We look forward to welcoming you to Snells Beach School.

Kathryn Ramel
Principal

Rich Learning Opportunities

Values based education

**Bike tracks, gardens,

Rich Learning Opportunities

ESOL Programme - learning English

At Snells Beach School, English Language Learners are supported through rich classroom learning experiences, complemented by specialist English language teaching. Students receive additional support from experienced teacher aides who work with both newly arrived international students and learners from multilingual backgrounds. They also have access to an online ESOL programme on their Chromebook, enabling them to continue developing their English language skills both at school and at home.

Specialist Programmes

Students in Year 3 - 6 take part in learning programmes with specialist teachers in Science, Physical Education and Cultural Education. We have support programmes at all levels in Literacy and Mathematics to ensure all learners succeed to the best of their ability. All students in our school experience learning outside the classroom, with a strong environmental focus. Senior students are encouraged to take part in inter school sport. We run two school Camps - our Year 5 students take part in a beach/bush focused camp in Whangaparaoa, and our Year 6 students travel down to the central North Island to experience the mountains, sled in the snow, white water raft and go caving.

Values Education

The Living Values Programme, developed by UNESCO, is a central focus of Snells Beach School. Each term a value is explored by the whole school to establish what this value looks like and feels like at Snells Beach School. Students are encouraged to 'live our values' daily and the 12 values form part of our school-wide positive behaviour management system.

Enrolling at Snells Beach School

Uniform

All uniform is stocked on site at our school, and students can try items on for size before they buy. Short stay students (less than a term which is 10/11 weeks), only require a school polo shirt and, in summer Terms 1 and 4, a school hat. Students staying for longer will need to purchase a full school uniform. Details are available through our information pack.

Starting at SBS

1. Request an Information Pack
2. Send all relevant documents
3. Your application is reviewed
4. An Offer of Place is issued
5. Your starting date at SBS is confirmed
